

WINTER 2024

Student Success Story

After earning 18 credit hours through dual-credit classes at Southeast Community College, Seward High School senior Mckenna Kisela is way ahead of her peers.

"I was never fully aware of the number of classes that were offered through SCC until my sophomore year," Kisela said. "My counselor, Mr. (Kevin) Fields, never failed to push me to take challenging courses, along with more than one at a time. His encouragement and confidence helped motivate me to break through the mental barriers stopping me from pushing myself in a higher-level class."

"I'm proud of her and many of her classmates who prove to themselves that they can pass college-level work while in high school and complete

many credit hours to transfer into the colleges they choose," Fields said.

TEAM MEMBER SPOTLIGHT

KRISTI LAWRENCE

Kristi is in her 9th year as a SENCAP Coordinator. She really enjoys nurturing high school students in their exploration of strengths, interests, and careers coupled with dual credit coursework. Kristi believes dual credit courses brilliantly connect a student's education to their future aspirations.

When she isn't working with high school students in her assigned region, she is chasing around her own high school children. Her senior son and freshman daughter keep her busy with theater, music, and volleyball. In her free time, Kristi enjoys reading and many outdoor activities such as camping, biking, and watersports with her husband, children, and two dogs.
