

# **Southeast community college** 2009-10 Parent Special Consideration Form

The formula used to determine your eligibility for federal financial aid is based in part on your parent's 2008 income. If your parents have experienced a significant reduction in their 2009 income, you may request further review of your financial aid file. All requests for further consideration must be fully documented. All requests will be reviewed by the Financial Aid Office and the acceptance or denial of this request will be sent under separate cover.
