Board Mission Action Plan

Shawna Herwick, Administrative Director of Accreditation, Institutional Assessment, and Planning provided an overview of the proposed Board Mission Action Plan. She stated that the Executive Advisory Team met April 1, 2024 to review the following three goals that were collaboratively established at the January 11, 2024, Board of Governors Retreat. She mentioned that the Board received a revised draft of the MAP goals on Saturday, April 13, 2024, and provided input by Thursday, April 11, 2024. The following goal areas are recommended as the Board of Governors Mission Action Plan.

Goal #1: Build strong, respectful relationships with one another to work as ONE Team to support our students, Dr. Illich, and the SCC Mission. (SCC Strategic Goal 9.6)

Goal #2: Increase engagement with identified stakeholders (e.g. NCCA, legislative consultant, community listening sessions etc.) through active and collaborative advocacy to further the College's Mission, Vision, and Strategic Goals. (SCC Strategic Goal 6.3, 8.1, 8.5, 8.6)

Ms. Boellstorff stated that the board should get more involved with the Learn to Dream Scholarship. She mentioned that only 26 of their current schools are enrolled in the program and stated it would be a doable goal to be advocates.

Ms. Herwick mentioned being advocates would fall under goal 2, engagement with the community. She also mentioned that the SCC foundation also incorporated community engagement as a targeted goal area and sees a potential alignment between the board and the Foundation.

Mr. Byers mentioned that he had made it a priority to engage with the community.

Chairperson Uhrmacher stated to specify that the SCC Foundation was one of the partners and add to the measures the number of meetings, visits held with lawmakers, business groups and schools.

Ms. Boellstorff asked for clarification on what does partners identified as internal and external stakeholders meant? Ms. Herwick stated that instead of identifying each group that are partners with SCC, it was recommended to use the verbiage as internal and external stakeholders.

Policy E-4 Benefits

President Illich mentioned meeting with the HR Equity Team and Amy Jorgens caught an inconsistency in policy E-4 benefits. Dr. Illich stated the discrepancy was in relation to personal leave, it should have said 32 hours of four days of personal leave with 48 hours of carry over, instead, the version that was in the board packet said 40 hours. He mentioned they were not aware and are recommending that change and vote in May to approve the intended version.

Dr. McCormick discussed that there were only thirteen individuals that had left and a payout would be required for that extra personal leave day.

Closed Session Presidential Evaluation review

Ms. Herrington motioned that the Board of Governors go into closed session for the purpose of evaluating the job performance of the College President which is necessary to prevent needless injury to the reputation of the College President and no public hearing has been requested by the College President. Board Mission Action Plan

Ms. Seim motioned to approve the Board of Governors Mission Action Plan Goals covering the period April 1, 2024 through June 30, 2025 as presented in Agenda Item 13b on today's agenda. Seconded by Mr. Byers.

Mr. Stenberg motioned to amend the proposed Board Mission Action Plan to make one change in the opening paragraph and to delete goal one and renumber goals two and three. Seconded by Dr. Sherwood.

Chairperson Uhrmacher asked for discussion.

Ms. Boellstorff asked for clarification on why Mr. Stenberg wants to amend the motion? Mr. Stenberg stated that the entire board was not able to attend the retreat in January and feels that no board member should feel constrained or bound to approve all three or any rule. He mentioned that the change he was recommending had to do with the time that they had available to deal with those goals and felt that some people would be more comfortable if they were more organized and structured. He also mentioned that teams needed to be restructured, so teams play a more meaningful role. He concluded with Goal 2 and 3 had tangible result or more to advance the interest of the college, and Goal 1 did not.

Dr. Sherwood mentioned Goal 1 and Goal 3 clash with one another. He the teams and this was one of the issues that came up in the board survey last year, that the meetings before a regularly scheduled board meeting simply wasn't enough time to do the work of the team.

Ms. Boellstorff motioned to postpone the final decision of the Board Mission Action Plan goals to the May meeting. Seconded by Mr. Byers.
