Course Number: HLTH-1040-HBNC8

The purpose of the Medication Aide position is to provide a safe way for individuals other than licensed health care professionals (doctors, nurses, etc.) to provide medications to individuals who are not able to take medications by themselves. Medication Aides assist with the provision of medications. You must be at least 18 years of age or older to be employed as a medication aide in the state of Nebraska.

State laws control the activities of a Medication Aide. These laws ensure the health, safety, and welfare of people by providing for the accurate, cost-effective, efficient, and safe utilization of Medication Aides to assist in administration of medications.

High school students in SCC's service area can register for the "HS" sections during the Fall and Spring terms. If you are a high school student outside of SCC's service area, please register for the regular Medication Aide sections.

Book may be purchased online, at the SCC Campus Store or by phone. Students must bring book to the first class.
