HLTH-1040

Medication Aide

SCC Requirement: Medication Aide students
MUST be at least 18 by the start date of the class.

The purpose of the Medication Aide position is to provide a safe way for individuals other than licensed health care professionals (doctors, nurses, etc.) to provide medications to individuals who are not able to take medications by themselves. Medication Aides assist with the provision of medications. You must be at least 18 years of age or older to be employed as a medication aide in the state of Nebraska.

State laws control the activities of a Medication Aide. These laws ensure the health, safety, and welfare of people by providing for the accurate, cost-effective, efficient, and safe utilization of Medication Aides to assist in administration of medications. You will be responsible for the additional costs charged by the state of Nebraska to complete your licensure. (2.5 semester credits)
